SEP 2005)

REF: 03 STATE 07339

1. Summary of Significant Events:

1A. The U.S. Mission's Fourth of July party kicked off this quarter with approx 1,200 guests attending the event at the Ambassador's residence. Not to be outdone, the grand opening of the photovoltaic system at the U.S. Mission was another heavily attended event, bringing in media and Swiss dignitaries from around the area to witness the new eco-friendly Mission. Other events for the quarter included the OSAC meeting in Zurich and a protest against the U.S. participation in Iraqi. The demonstrators attempted to move the protest to the front of the U.S. Mission, but the Swiss police were prepared and ensured that the protestors did not impede Mission operations.
